

Although we have church buildings the word "church" refers to a group of people who gather together to worship God and share their lives with one another. In this way, every Christian is connected to another and every Christian cares for one another.

Draw the people you care most about in the templates below. Cut along the dashes and fold along the dots and then hang your "church" somewhere in your house. Try praying for them, or giving them a phone call each time you see the paper-chain.
