

Made in the image of God

At the very beginning of the Bible, God creates the whole world and everything in it. When God comes to create humans he makes them very special, he creates humanity in his image (Genesis 1:27). This means that all humans reflect something of what God is like. Christians want the world to know who God is so try to do what God would do, to love others and stop bad things from happening. Christians try to be like a reflection of God in all that they do.

Below is a reflection for you to complete and colour in.
